

Valentina Tereshkova - unaccepted drawing, watercolour on carton, North Korea 1988

North Korean Print official stamp on the back (copy 70%)

Specimen

Gagarin in a Skirt

Petr Fencel – Czech Republic

This exhibit brings a biographic story. Valentina Tereshkova became the first woman cosmonaut from a common country girl. After her historical space flight she visited almost all countries of the world. Her first foreign tour to Czechoslovakia is described in detail.
